

Meeting Report**April 26, 2012****Labor and Industries service location Tukwila**

The mission of the Washington State Construction Advisory Committee is to provide a forum where business, labor, and government identify challenges and develop solutions to Washington's construction workplace health and safety challenges.

Committee Leadership Present:

David Puente, Deputy Assistant Director, DOSH;

Kirk Baisch, University Mechanical

Terry Tilton, Assistant Executive Secretary, Washington State Building and Construction Trades Council

DOSH Update: David Puente

David Puente discussed the following points and topics:

- Fall protection, Telecommunication rule, and Fire protection rule we are moving forward with these rules
- Construction safety Day is May 2nd

Open Forum:

- Dept of Labor & Industries both the Industrial Insurance and DOSH program are currently awaiting the results of a survey conducted by Ipsos. The surveys were conducted to identify what type of customer experience the agency is providing to our customers. Are contracting with Ipsos to found how L & I is doing with inspections. We are doing this to improve customer service with L & I.
- FYI, a worker had a foreign body in eye, they said they didn't have anything wrong, but then next day had metal in eye. Reminder ensure employees seek medical treatment just to make sure. Go to an eye doctor to make sure.

Sub-Committee's Reports

Dan McMurdie discussed the following points and topics:

- Charter Guidelines is ready to go, get it signed and dated.

Fall Protection- Steve Heist

Steve Heist discussed the following points and topics:

- Come up with a quick reference guide for Fall Protection.
- Next meeting for fall protection sub-committee is May 1st at the AGC office in Fife.

Definition of Construction: Steve Heist

Steve Heist discussed the following point and topics:

- The Definition of Construction and Maintenance they need focus and direction from CAC Committee.
- Come up with resource material, and more work needs to be done.
- Steve will sit up more meetings before the next CAC Meeting.

Consider new sub-committee for rigging:

- CAC, they voted to have a new sub-committee for rigging.
